

Parent and School Request for Nominations "Star Awards"

Why?

Our Christian School faculty and staff work hard and sacrificially to provide our community with an amazing Christian educational experience. Branching Out Educational Consultants is a group of dedicated teachers committed to providing professional development to educators in Christian schools through highly focused courses, workshops, individual coaching and consulting. As Branching Out expands, we want to honor our partnership with Christian schools by celebrating the miracles that happen everyday in the classroom and on school campuses everywhere. This fundraising event dinner is designed to support Branching Out to continue our mission by celebrating our favorite people – educators.

But we need your help.

You know your child's teachers. You know your Christian School community. You know your leadership and those that point you in the right direction. We want to hear your stories and we want to honor the people who have made a difference in your life.

- Using this link, please tell us your story and why the teacher in your life is being nominated for a Star Award:

 - [Teacher Star Nomination](#)

There is one more way you can help.

Thanks to generous donors, last year we were able to accompany each recognition with a substantive award to show our appreciation for their service and ministry. If you or someone you know owns a business or represents a ministry or other organization that would like to provide a financial gift of any amount for any of these awards, please send an email to royce@branchingoutconsultants.com to learn more. Appropriate recognition will be given to each donor who contributes in this way.

*Awards will be given at Branching Out's Dinner Fundraising event on March 31,
"Stars of Wonder" to honor "Star" teachers & educators.*
