SUMMER TRAININGS ARE COMPLETE!

RACHAEL PETERSON

It's hard to believe that summer is coming to a close! It feels like just yesterday that I packed up my home-away-from home for the past 6 years (room C-5 at Desert Christian) and started my new role with Branching Out. The first task Royce and I embarked on was visiting our partner schools around Tucson and Phoenix. We handed out new catalogues and caught up with administration and teachers. We have new course offerings that are updated on our website!

We then hit the ground running with EEI and Advanced Practices. From June to July, we completed the first 3 days of EEI with Calvary Christian Schools, Northern Arizona, Phoenix, and Tucson teachers. We also spent time with teachers in Camp Verde for our first Northern Arizona Advanced Practices after 2+ years!

This summer, we served 75+ teachers across Tucson, Phoenix, and Northern Arizona. To meet the needs of all our teachers, we've brought on a few new trainers and coaches. We also said, "Goodbye" to Jacquelyn Weber, a dear friend, trainer, and coach. She will be moving to Oklahoma to be closer to her granddaughters.

Thank you for continuing to support Branching Out and our mission to provide Biblically-based professional development to Christian schools across Arizona.

Tips & Testimonies

August is a wonderful time to get everything in order for the new year. Spend this time emptying out your email inbox and create general folders so that each email has a place. You might create a folder for each student or each period you teach. Everything that comes in gets read, answered, and assigned a folder so that your inbox hopefully reads "0" (or close to) at the end of each week.
