FAITHFULNESS CULTIVATES FRUITFULNESS

Royce Nelsestuen, Executive Director

It's Harvest time! Well, typically that's one of the ways we celebrate the fall season. Pumpkins, corn mazes, hay rides are all reminiscent of the joy that comes with harvest.

Our classrooms might share a different story. We are still working, planting, training, cultivating, reinforcing, watering, nourishing, reminding, & loving our students and families as we start the school year. Keep heart! Your faithfulness in this season will cultivate fruitfulness - it's a promise.

We are tempted to discouragement and weariness. This has been true of the human condition across all of time and history. Galatians 6:9 reminds us, "Let us not lose heart in doing good, for in due time we will reap if we do not grow weary." Isaiah 40:29 says, "He gives strength to the weary. And to him who lacks might, He increases power." Lean on the Lord, and His Joy will give you strength. Continue to be faithful.

Recently, I've been reflecting on the past few generations of "entitlement." The Bible outlines the cure for entitlement thinking as gratefulness or thanksgiving. Let's practice thanksgiving this season, and let's share that with our students and families. Let's be grateful for all God is and all He has done for us. I am thankful for YOU!

Happy Fall. y'all!
