Classroom Discipline Interventions

Effective teachers save consequences for the bigger, more serious issues. Effective teachers use interventions to maintain a safe, calm, and productive classroom environment.

Effective Classroom Managers

1. With-it-ness

2. Locus of Control

3. Proactive

Use Quick and Easy Interventions when…

- A student is _____ to misbehave.
- Relatively _____ misbehavior that is _____.
- Misbehavior _____ chronic ("one-time offense")
- You need to put a _____ on the behavior in order to keep teaching.

When might you use a consequence instead of an intervention?

Give a consequence when…

1. Their behavior creates a _____ problem for others.
2. Misbehavior is _____ yet _____.
3. The student needs to learn a _____ lesson about responsibility, respect, etc.

Principles of Effective Consequences

1. _____
2. As _____ as _____
3. _____
4. Leads to _____
